The LONG VALLEY JUNIOR LACROSSE CLUB (LVJLC) is a volunteer organization that receives no financial assistance from the town. In order to field the teams, the club has field use fees, practice equipment and officials fees. LVJLC relies on the participation of all parents/guardians to give the children the chance to participate in lacrosse. We ask all parents and guardians to help make this year successful.

Each family will be assigned a date and time to volunteer or will sign up through the TEAMSnap app.

This will be painting the fields, working the concession stand, selling apparel or assisting with tournaments.

Check(s) will be returned or torn up upon completing your required volunteer hours (3 hours per child).
